3 Day safari to Murchison falls National Park = $936

Tour Summary

This 3 Day safari will take you to Uganda's largest parks known as Murchison Falls National Park, situated in Northwestern Uganda on an area of 3,840 sq km, gazetted in 1926 as a game reserve.

It is classified with Savannah grasslands, and the Victoria Nile that flows through separating it into two (the northern and southern bank). Murchison Falls is home to over 451 bird species such as the Great blue Turaco, Goliath heron, the Shoebill, and the dwarf kingfisher among others, 76 mammal species, a big number of Nile crocodiles and above all the magnificent and thunderous Murchison Falls squeezing their way through a gorge that is 8m wide. All said, you will have an opportunity to enjoy both our Uganda safari game drives and the boat cruises along the Nile River.

Activities involved;

- Visit to the Ziwa Rhino Sanctuary
- Game drive
- Boat cruise along the River Nile
- Visit the top of the falls

Day 1: Travel to Murchison Falls National Park

After an early breakfast, our driver guide will pick you up from your hotel at 7:00 am, he will also brief you about your 3 Days safari to Murchison falls and you will start your 6 hours journey to Murchison Falls National park. You will go through the Luwero, and later have a stopover at Ziwa Rhino Sanctuary for Rhino tracking; here you will find both black and white rhinos.

After tracking have another stop in Masindi where you will have lunch, after lunch proceed to the park, after making payments for park entry drive towards the top of the falls, here along the way you will see various animals such as warthogs, baboons among others.

Being at the top of the falls is an amazing experience as you will watch the magnificent falls squeezing through the rocks in an 8m gorge. Take as many photos as you can. Later drive to the lodge, relax the whole evening, have dinner and an overnight.
