OUR SPECIAL EXPERIENCES

SAi World TRAVELS
Holiday....your way!!!!

- **Savour an authentic Rajasthani meal at the cultural village of Chokhi Dhani**

  Chokhi Dhani is a mock Rajasthani village, around 20km from Jaipur, and the one stop place to showcase the art, culture, and cuisine of Rajasthan. It pulls you in with its old Rajasthani charm, bright turbans and silver anklets. There is a plenty here to keep you entertained for a few hours: traditional dancing, palmistry, authentic meals, elephant and camel rides, flame throwing, puppet shows, shooting, henna painting and of course, shopping. Chokhi Dhani is open from 5 to 11pm. Tickets are for Rs 600 for adults and Rs 350 for children.

- **Learn how to create an original block print scarf at the Anokhi Museum of Hand Printing**

  The Anokhi Museum of Hand Printing can be a wonderful, offbeat attraction in Jaipur. This cute little textile museum is located in a beautifully restored 16th century haveli and offers incredible insights into the history and tradition of hand-blocked printing and fabric and textile design. On display in the museum are a variety of block-printed textiles, tools and related objects that offer an in-depth look into the technique of this ancient tradition. On the rooftop level, you can try your hand at block printing and try the skill on a t-shirt or scarf. Later, you can pick up some unique fabric from the small gift shop. Find more information here.

- **Desert Camping – Feel The Thrill**

  An amazing glamping site, is famous for its desert camping. Starlit sky, lively folk dances, colorful puppet shows, delicious authentic meals, and cozy beddings are experiences that make camping in Rajasthan such a rage. This extraordinary experience of camping in desert is truly one of the best things to do in Rajasthan during winters.

- ## Vintage Car Rally in Rajasthan – For Car Lovers

  Well now, this doesn't need any more explanation. Surely, some of you were sold on 'Vintage Car' only. For the rest, the showcase of luxury in Rajasthan is at its best during these rallies, especially in Jaipur. The beautiful streets are taken over by these awe-inspiring machines, and its sheer delight for car lovers to just witness the rally. It is certainly one of the best things to do in Rajasthan for mean machine fanatics. It happens every year in the month of January and is surely an experience of a lifetime.

- ## Music Of Kalbeliya Tribe – Match The Steps!

  To witness the hypnotizing folk dance performance of Kalbeliya Tribe is a treat. Enjoy the lovely dance performances by beautiful women of the tribe and I bet their belly dancing skills will completely blow your mind. Do not forget to witness this gorgeous folk dance performance when touring the "Land of Maharajas" with your family and friends. Make sure this is added to your Rajasthan things to do.

- ## Rural Pockets Of Rajasthan – Explore The Village Life

  This is one of the offbeat thing to do in Rajasthan. The culturally rich state houses equally warm and rich locals. Beautiful mud houses, straw huts, basic essentials, colorful clothes, yet hearts full of love and face decorated with smiles – this is the real Rajasthan.

- ## Elephants At Dera Amer – A Day Out With Elephants!

  Have you ever had a day out with Elephants? Well, this is the perfect opportunity to have one. You can try your hand at all sorts of activities related to elephants like giving them a shower or feeding them sugarcanes. You can even paint their trunks with organic paints so as not to harm your giant friends. It is one of the most visited tourist places near Jaipur.
