The HUNTER

"Outdoor role playing game"

The hunter is an afternoon activity that starts during the day and ends at night with headlights and snowshoes.
We design your custom TEAM BUILDING so that each challenge involves work, fun and evaluation.
Your corporate image will be present at each beacon and in the documentation of each leader.
The games or roles will be adapted to the sector or specialization of your company.

EXCITINGEVENTS

events@excitingevents.es - tel +34 973643325

SNOW-HOCKEY

"Action and deshinibition"

This activity resembles field hockey.
In each field 2 teams of 6 to 10 people play and you can build as many fields as necessary to match the group.
We will use a special fluorescent ball and softer sticks so as not to harm us.
Ideal to combine with other multiactivities in the snow.

events@excitingevents.es - tel +34 973643325

GIANT SKIS

"...either we synchronize or we don't move forward ..."

If you think you are a good skier, now you'll have to learn how to move on giant skis.
The skis are more than 3 meters long and each ski can accommodate 4 people.
The winner will be the team that coordinates the best.
It is done in groups of a maximum of 12 members.

EXCITINGEVENTS

events@excitingevents.es - tel +34 973643325

COMPE-TRINEO

"To feel like a child"

Discovering what you felt when you were a child is something that everyone likes.
Divided by rounds of 6 sleds, 4 sleds at a time, 2 sleds compete in freestyle where everyone goes down at the same time.
We build a beamed circuit with small jumps and difficulties. Once the rounds are over,
the monitor shows other ways to slide with the sled for those who want to rival or demonstrate their expertise.

events@excitingevents.es - tel +34 973643325

SNOWSHOES

"Evasion and nature"

This is an activity where you can enter deep valleys, roads and forest tracks, which will allow you get closer to the magic of a particularly beautiful and silent nature.
We design the excursions according to the snow conditions: from your hotel, by helicopter or by the moonlight on the snow!
On full-day excursions there is the possibility of food, thermal services, massages and more.

events@excitingevents.es - tel +34 973643325

CATCH THE FLAG!

"Motivational Team"

It is a dynamic game in which the participants are divided in 2 teams,
each one has a flag of one color, planted in the opposite field!
The goal is to catch your flag and return to your own field while the others throw snowballs at you.
Wins the team that manages to bring the flag more times to their own field.

events@excitingevents.es - tel +34 973643325

AUDACITY & ORIENTATION

"Decision making"

With the help of a map and a compass, you will have to discover points on the ground (marked by beacons) in the shortest possible time, and take a tour in the established order.
This type of experience tests the skills of the participants: observation, capacity for analysis and synthesis, intuition and more.
Activity in which sport, adventure and nature are combined.

events@excitingevents.es - tel +34 973643325

"ALIVE" IN THE PYRENEES

"Find the way to save yourself"

The participants will be distributed by teams. Previously they will have been provided geographical information of the area and specific instructions. During the tour you will find victims, objects and necessary material to move towards the goal: to locate the fuselage and radio and ask for help. The challenge of sharing an extreme situation like this, reinforces fundamental skills such as strategy, leadership and group cohesion.

events@excitingevents.es - tel +34 973643325

WINTER OLIMPIC GAMES

"Multiactivity in the snow"

We design a MULTIACTIVITY in the SNOW so that everyone simultaneously is active, and everyone participates in all the WORKSHOPS.
Each leader must unite their group and compete with others to get their prize or achieve a determined goal.
We combine many of the aforementioned activities or workshops according to the number of participants.
Example: For groups of 100 people = 5 activities in rotation of 45 minutes and in groups of 20 people.

INDOOR PLANS

“Coaching & meetings”

Coaching with Design Thinking is to use the premises and methodology of Design Thinking :
a person centered process. The use of visual elements, process awareness, prototyping culture and incite
to action in five well-defined phases: empathize, define, devise, prototype and implement the famous plan B.
Workshops designed by INEF professionals, musicians, dancers and always accompanied
of our coacher of the House - **Elisenda E**. The combination of the elements guarantees success.

PANORAMIC FLIGHT

“Another point of view”

Observe the Aran Valley from a bird's eye view. You can choose the duration and formula that best suits you the best. For example: for a group of 20 people we must create 5 groups of 5 people with a flight plan between 12 and 15 minutes. Over the course they will fly over the most emblematic tops: an exclusive territory of more than 400km square, between 1500 and 3000 meters of altitude.
