

KIJANI AFRICAN SAFARI

TANZANIA COMFORT PRIVATE FAMILY SAFARI 5 DAYS

The 5-Day Comfort Family Safari with Kijani African Safaris takes you on an incredible journey through three of Northern Tanzania's most renowned wildlife parks. This package covers Tarangire National Park, Lake Manyara National Park, Serengeti National Park, and the Ngorongoro Conservation Area, each offering unique wildlife experiences. From the tree-climbing lions and flamingos of Lake Manyara to the vast elephant herds and iconic baobab trees of Tarangire, you'll encounter diverse ecosystems and animal behaviors. Bird enthusiasts will be delighted by the abundant birdlife, while unique sights like termite mounds in Tarangire and the hot springs of Lake Manyara add an extra touch of wonder to this unforgettable safari adventure.

Tour Itinerary

We have carefully planned out each day to give you the best possible experience. From exploring historic landmarks to tasting delicious local cuisine, each day is packed with adventure and excitement. Join us as we take you on a journey through some of the most fascinating destinations in the world.

DAY 1 - Moshi/Arusha – Lake Manyara National Park

In the morning, you will be picked up at your hotel to start your safari to Lake Manyara National Park. Established in 1960, the small Lake Manyara National Park is a home to tree climbing lions, elephants and large troops of baboons and monkeys.

The park is dominated by the shallow, alkaline lake and boasts with diverse habitats like grassy plains, escarpment and forest. Here hundreds of bird species gather most notable, thousands of pink flamingos. In addition to the striking scenery you have a chance to see giraffes, buffaloes, hippos, wildebeests and the comical warthogs. The safari vehicle has an open roof and is the ideal viewing platform to appreciate the

nature and animals of this park. In the afternoon, you will have your picnic lunch before you leave the park and travel to the lodge, where you will spend the night.

DAY 2 - Lake Manyara – Serengeti National Park

Take an early drive towards the fertile crater highlands immediately after your breakfast and get mesmerized with the beauty of the crop fields that grow wheat, corn and coffee. At mid-day, you will reach the plains of the Serengeti, the one of the largest National parks in Tanzania. Serengeti has a diversity of landscapes including short grass plains, savannah, thick bush, swamps and lakes and it is famous for the yearly migration when hundreds to thousands of wildebeest and zebras trek to find fresh grass and water. On your way to your accommodation, you will understand, where the word Serengeti (plains in the language of the Maasai) comes from. In the early evening, you will reach the lodge, where you will spend the night.

DAY 3 - Full Day Serengeti National Park

The whole day will be spent on a game drive in the Serengeti National Park. During the short rainy season in November and December the herds move from the hills in the north to the plains in the south while during the longer rainy season from April to June they return back up north. This circle of life is determined by the rainfalls and locations of the herds might vary from year to year but your guide will know where to find the animals and where to see them best. A visit to the Serengeti Visitor Centre is also possible. Here you can learn more about the history of the park and the research that is done by the Frankfurter Zoological Society. You will spend another night at the lodge in the park.

DAY 4 - Serengeti – Ngorongoro Crater

After breakfast, you will continue your safari in Serengeti. In the Seronera Valley you might be lucky to see predators hunt as animals gather at the waters during the dry season. After lunch at a picnic spot you will slowly drive in the direction of Ngorongoro Crater. As soon as you reach the crater you will have a superb view of the caldera. This approximate 20km wide crater is part of an UNESCO World Heritage Site and is home to over 20,000 animals. You will stay at the lodge possibly (depends on availability) on the crater rim from where you will be able to enjoy an incredible sunset.

DAY 5 - Ngorongoro Crater – Moshi/Arusha

Rise and shine! Take our breakfast and drive down in the steep path of world's greatest caldera" Ngorongoro Crater" the largest, unbroken and unfolded caldera in the world. The crater is not only scenically beautiful, rather it houses an unbelievable diversity of wildlife. The rare black rhino and other members of the "Big Five" – lion, elephant, buffalo, rhino and leopard. The crater is also a home to other animals that include hyenas, waterbucks, bushbucks, eland and more than 500 bird species. After an extensive game drive and a picnic lunch you will leave the caldera in the afternoon for Moshi/Arusha.
