Fotorally Valencia

THE PERFECT PICTURE IN VALENCIA

Each team is given photos taken at different locations around the city. Using a clue, map and locals, team members must work together to find the location of each photo. On the spot, they must try to recreate the photo. There are also photo assignments where the team is asked to take original and creative photos with people/objects, where it is important that teammates and locals work together. All photos are sent to the Gamemaster and at the end of the activity a winning team is chosen based on the number of locations identified, originality of the photos and cooperation.... It is possible to project the photos during lunch/dinner depending on the presence of beamer/screen, at an additional cost.

Location: Centre of Valencia
Duration: 2 hours
Participants: 10 - 12 per team
Includes: drink / tapa
