# CONGRESTIVAL

## the UP way for conference & festival

UP EVENTS .NL

ONLY WAY UP.

At UP Events, we offer a unique concept that combines the best of both worlds: the informative and connecting nature of a conference with the relaxed, energetic vibe of a festival.

Our **Congrestival** is a day filled with inspiring sessions, networking opportunities, and the freedom for guests to create their own schedule. It’s perfect for companies that want to blend knowledge sharing with team-building and relaxation.

## Flexible venues

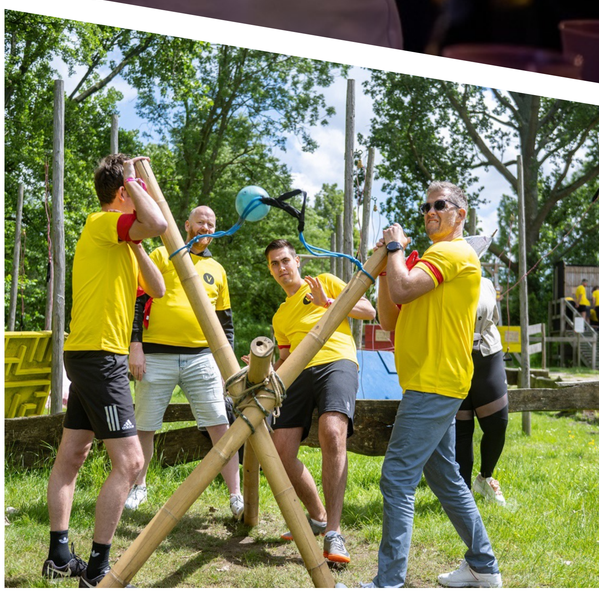

Our location in the **Tuinen van West in Amsterdam** offers space for plenary sessions of up to 400 people and joint openings of up to 1,000 people.

With a wide variety of indoor and outdoor spaces, we are fully prepared for any weather scenario – bad weather isn’t a Plan B for us; it’s simply another version of Plan A.

Our spaces are flexible, inspiring, and perfectly integrated into the natural surroundings, contributing to a unique experience for your guests.

## Personalized schedule with block planning

Give your guests the freedom to create their ideal day. After a joint opening and keynote session, participants can choose which program segments they'd like to attend. By using a block schedule, we offer a flexible and personalized experience where each guest can follow their own path.

This approach fosters interaction and encourages people to connect with new colleagues and peers in an informal way. Knowledge sharing and networking have never been so approachable and enjoyable.

## Activities & catering at UP level

At UP Events, we handle everything in-house—from activities to catering. This ensures top quality for your event and eliminates the hassle of dealing with external providers.

Our dedicated team is ready to delight your guests with delicious dishes prepared on large wood-fired BBQ smokers and live cooking stations. The menu is fresh, sustainable, and fully tailored to meet your guests’ preferences.

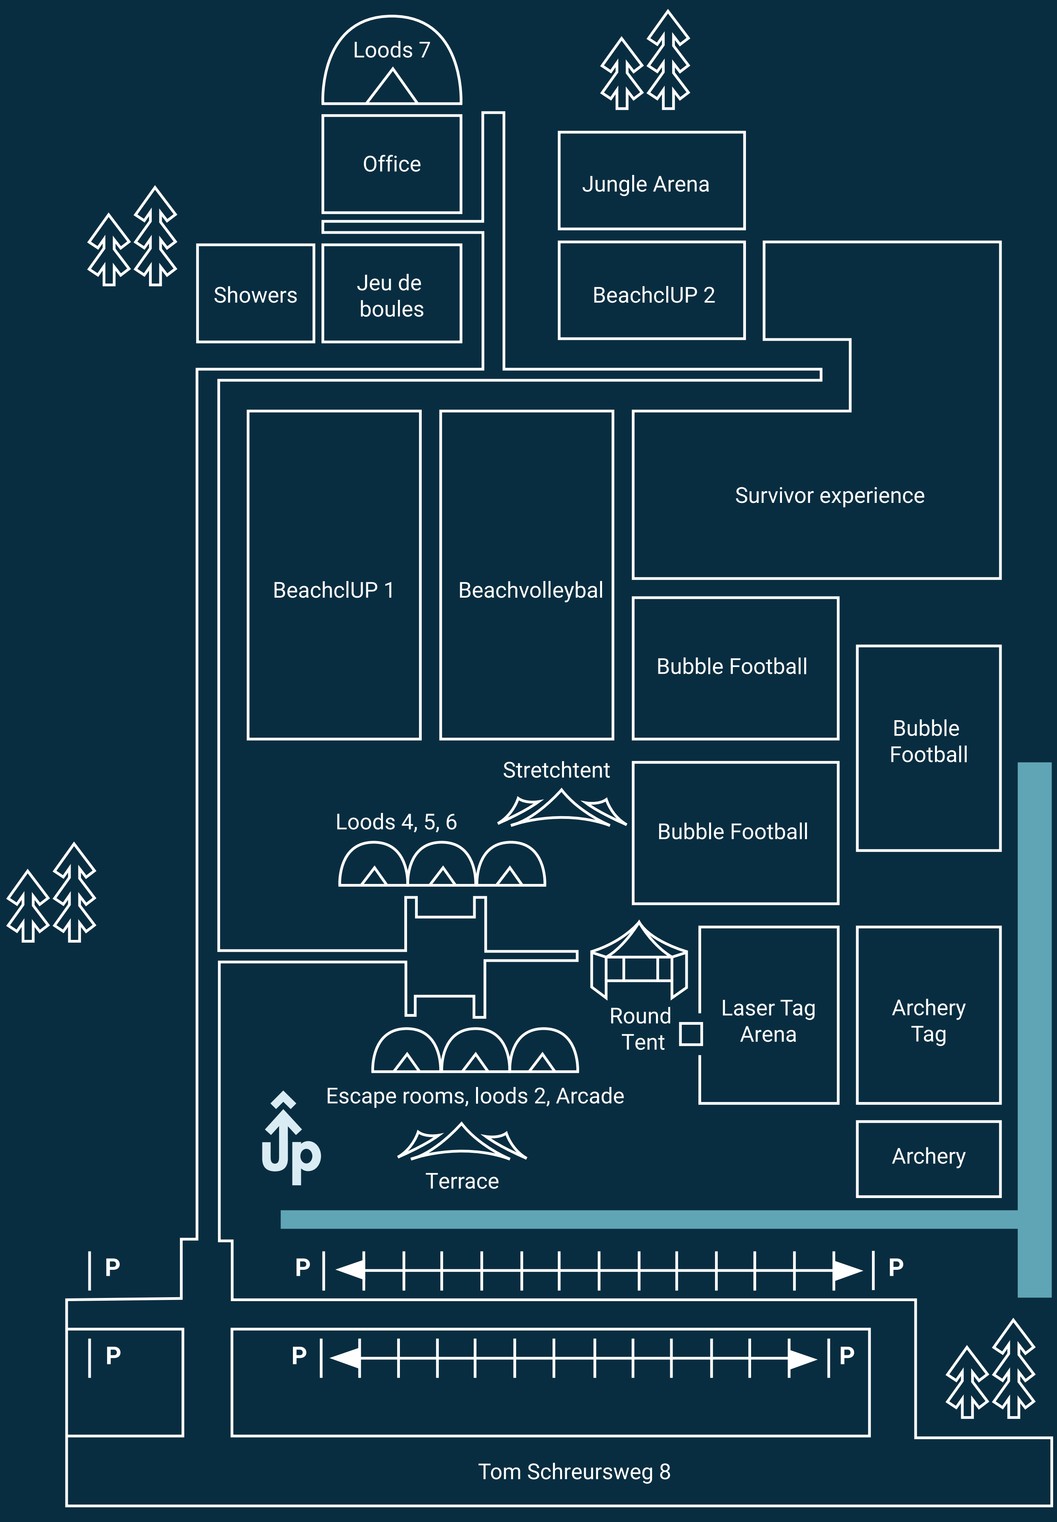

## UPlifting – everything you need, just outside Amsterdam

Our locations are unique: close to Amsterdam, with ample parking, a variety of indoor and outdoor spaces, and a wide range of high-quality activities readily available. The Congrestival at UP Events offers a complete experience at a venue that’s refreshingly different from the traditional conference hall. It’s perfect for companies seeking something inspiring and innovative in a sustainable, green setting.
