MEETING IN GREEN AT UP EVENTS

“Meeting in a green environment has proven benefits for inspiration and efficiency. It stimulates creativity, can reduce stress, and even contribute to better decision-making during meetings. People often feel more comfortable in a green setting, which can lead to more effective collaboration.”

CHOOSE FROM THE MOST BEAUTIFUL LOCATIONS

Both locations, in **Tuinen van West** and **Golfbaan Weesp,** are tastefully decorated, not overly luxurious, and fit well within their surroundings. We use a lot of natural materials and preserve as much greenery as possible. UP Events is a full-service event company with two unique locations. We aim to maintain the same atmosphere of sportiness, tranquility, and fun at both locations. This is very important to us, so that everyone, from various backgrounds, feels welcome.

The ideal place for meetings!
